# Catch your breath “Shiretoko, The Crimson Country”

Shiretoko, a natural world heritage embraced in lush nature,  
promises liberating peace and relaxation.

Here, time passes gently and slowly,  
allowing one to realize that you can be your true self.

As the scenery changes with time,  
there is one thing that remains unchanged and welcoming.  
The Shiretoko Daiichi Hotel is one with Shiretoko's nature,  
and welcomes each guest with kindness and a smile.

# Natural jade panoramic bath “More” and “Rosha”

2F Large Public Bath “Rosha”

Jade, created through millions of years of the earth's activities. Here at the Shiretoko Daiichi Hotel we used 100% natural jade from Myanmar, located at the foot of the Himalayas, for the floors. We provide relaxation like none other in a comfortable space.

## Natural jade, “Green Jewelry Box”, blends well with the nature of Shiretoko.
